## INTRODUCTION

In placing this Price List in your hands we wish to express our appreciation for your patronage the past season. Many new customers have been added to our list, and we have put forth our best efforts toward your satisfaction. Many of you have sent duplicate and repeat orders and we feel that our sincere efforts to give you something for your money have produced results that have been of mutual benefit.

**NON-WARRANTY**—If any nursery stock sold by us should prove untrue to name under which it is sold, we hereby agree, on proper proof of such untruthfulness to name, to replace such stock as originally ordered or to refund the purchase price. Except for such liability, and in respect to all nursery stock sold by us, we give no warranty or undertaking, express or implied.

**SPECIAL NOTICE**—The prices named in this list cancel all previous lists and are subject to change without notice. All sales and contracts are made subject to crop losses or other causes over which we have no control.

We use standard grades in grading all stock to you and at no time will we allow or accept grading down by the purchaser of more than 3 per cent.

Boxing and bales at cost, all prices are net F. O. B. loading point. Our responsibility ends with delivery to carrying company.

## SPECIAL DISCOUNT

For cash with your order, we will give you 5 per cent off list price, amount of your order, trusting this will be of interest to you.

**TERMS**—Cash unless to known customers, or arrangement is made.

## THE NEW YOUNGBERRY

A remarkable new berry which we firmly believe is by far the most promising of all new things. The berries are about an inch long, dark purple color with a delicious flavor. The plants are very productive and begin bearing the first year after planting. Another characteristic of the Youngberry is its adaptability to all and any kind of soil.

Per 25	\$1.00
Per 100	2.00
Per 1000	10.00

Regrown 2 yr. old plants early fall-winter shipping, bearing size.

Per 25	\$2.50
Per 100	8.00
Per 1000	50.00

## BOYSEN BERRIES

A new berry of the Youngberry type, only it is a black berry in color, vines grow about the same way as the Youngberry, adapted to almost all kinds of soil; you will not make a mistake in recommending it. We have about 25,000 plants.

Per 25	\$1.50
Per 100	3.50
Per 1000	20.00

### STRAWBERRY PLANTS

Our acreage of strawberry plants for fruiting and young plants to plant, will do from twenty-five to fifty acres each season; that we have been growing and shipping good berry plants since 1918; too, we will say that the manager of our company began growing and shipping both the strawberry fruit and plants in 1909 and with this time and experience we know how to grow good plants that will stand up and please you and your trade. Give us your order, it will be appreciated.

You will find our plants state inspected, 100 per cent clean. We will pack free, prices given below, using ventilated crates and plenty of good packing so as to get the shipment to you in first class condition, and will be glad to make direct shipment to your trade if you wish. Let us cooperate with you on large orders; we will have the plants and will make attractive prices. Your order will be appreciated.

	100	1000
